

## Technical Data Sheet

### Description

CLEAN & PROTECT is a water based soap, specially developed as a cleaning and treatment solution for daily cleaning of concrete and stone floors. The solution leaves a durable upper surface that simplifies future maintenance.

### Scopes of application

Husqvarna CLEAN & PROTECT can be used on all kinds of concrete and stone floors that are tolerant to water. Application areas are e.g. industrial floors, market halls, logistic centers, supermarkets and in private homes. Suitable for both indoor and outdoor use.

### Processing

First clean the floor with a cleaning mop or an auto scrubber. The product may be mopped onto the floor using a microfiber mop, or used through an automatic scrubbing machine with a white polishing pad, a natural hair pad or a 3000 grit diamond impregnated Husqvarna Maintenance pad.

Buff the cleaned floor with a 3000 grit diamond impregnated Husqvarna Maintenance pad or a white polishing pad for increased shine.

Clean equipment with water.

### Consumption rate

Normal cleaning: Dilute 1 oz of Clean & Protect per 1 gallon of fresh water

Deep cleaning: Dilute 2 oz of Clean & Protect per 1 gallon of fresh water

### Storage & Shelf-Life

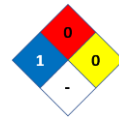

Keep containers tightly closed in a dry, cool and well-ventilated place. Protect from frost. Storage temperature should be between 5°C and 30°C (40°F to 90°F). Store away from incompatible materials (Strong oxidizing agents, chlorine & isocyanates). Shelf-life is 18 months from manufacturing date in unopened original canisters. Manufacturing date is stuck onto the pail with the Julian date Code with a sticker as in YYDDD. Opened canisters should be used up as soon as possible.

### Environmental Protection

The product is not classified as environmentally hazardous. However, this does not exclude the possibility that large or frequent spills can have a harmful or damaging effect on the environment. Dispose of contents/container in accordance with local/regional/national/international regulations. Completely emptied packages can be recycled.

### Health & Safety

CLEAN & PROTECT contains no substances which at their given concentration, are considered to be hazardous to health. Safety data sheet available at request.

Health: 1  
Flammability: 0  
Physical hazard: 0  
Personal protection: -

### NFPA rating

### HMIS rating

This product is not known to be a "Hazardous Chemical" as defined by the OSHA Hazard Communication Standard, 29 CFR 1910.1200. Nor is it a dangerous substance or mixture according to the Globally Harmonized System (GHS).

No dangerous good in sense of transport regulations.  
VOC =0g/L. pH 7-9 Freezing point 32 °F (0 °C)

### Husqvarna item number:

529 75 52-04	Clean & Protect 1G
529 75 52-05	Clean & Protect 5G
